

**REMARKS**

Filed herewith are a paper copy of the Sequence Listing, a computer readable form (CRF) of the Sequence Listing, and a Statement Pursuant to 37 C.F.R. 1.821(f). No new matter has been added.

**Reply to Summary of Fees Due**

On page 2 of the Notification of Defective Response, the fees due are described as including the application search fee and the application examination fee. Applicant believes that this is incorrect.

Applicant paid both of the application search fee and the application examination fee upon entry into the U.S. National Phase. Please see page 2 of the Transmittal Letter (copy enclosed) mailed March 9, 2006, boxes 22 and 23, which indicate the fees paid for these categories. Applicant included a check for the fees indicated on page 2 of the Transmittal Letter mailed March 9, 2006 (copy enclosed). Accordingly, Applicant believes that the application search fee and the application examination fee have been paid properly and timely, and therefore the payment of these fees should not be required.

In addition, in the above-referenced U.S. National Phase Transmittal Letter, Applicant provided permission for any deficit in fees to be charged to the deposit account of the undersigned.

If this response is not considered timely filed and if a request for an extension of time is otherwise absent, Applicant hereby requests any necessary extension of time. If there is a fee occasioned by this response, including an extension fee or payment of a prior fee deficiency, that is not covered by an enclosed check, please charge any such fee to Deposit Account No. 23/2825.

Respectfully submitted,  
*Lewis C. CANTLEY et al., Applicant*
